What World-Class Urology Looks Like

Urology Associates Of Denver Is Growing Its Female Pelvic Medicine & Reconstruction Services So Come Join Us!

Urology Associates of Denver is looking to add a fellowship trained urologist specializing in female pelvic medicine and reconstruction to our thriving and expanding practice in Denver! Urology Associates of Denver, founded more than 30 years ago, offers exceptional urologic care to the Denver metro area. We take great pride in hiring physicians who are equally committed to the art of medicine and being the best in patient care. This unique opportunity combines a classic urology practice that includes clinic, hospital consults, and Emergency Department coverage with cutting edge medical procedures and innovative technology. This is an exciting opportunity for someone who wants to be busy in a short timeframe.

Here are just a few of the reasons to join us at Urology Associates of Denver:

- ✓ Colleagues who are experts in their urologic sub-specialty and recognized throughout the community
- ✓ 2-year Path to Partnership and Ownership Opportunities
- ✓ Large Referral Base
- ✓ State-of-the-Art Radiation Oncology Center
- ✓ Advanced Prostate Cancer Clinic
- ✓ Joint Venture Ambulatory Surgery Center
- ✓ Robotics Surgery
- ✓ Male Infertility & Reproduction Services
- ✓ Affiliations with both Centura Health and HCA hospital systems
- ✓ 6 Physician Assistants
- ✓ Nursing Staff Support
- ✓ Fully Integrated EMR
- ✓ Care Team Approach
- ✓ Positive, collaborative, and supportive environment

Urology Associates of Denver offers a comprehensive salary and compensation package that includes:

- Competitive guaranteed base salary and bonus opportunity
- Relocation assistance (if applicable)
- Signing bonus
- Excellent benefits (health/vision/dental insurance)
- Paid malpractice, including tail coverage
- CME time off and expense allowance
- Paid time off
- Retirement savings program with employer matching program

About Denver:

Denver is a vibrant and diverse city that offers a range of attractions and activities. Located at the foot of the Rocky Mountains Denver offers some of the most spectacular views and outdoor recreational opportunities in the world. In addition to outdoor recreation, Denver offers a great quality of life, teams in every major professional sport, a thriving arts and cultural scene, and a great climate – with over 300 days of sunshine per year!
